Reviews

This publication might be well worth a study, and much better than other. It is among the most awesome book i have got study. You may like the way the article writer publish this publication.
(Dr. Paige Bartell)

ON CORPULENCE IN RELATION TO DISEASE: WITH SOME REMARKS ON DIET (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from On Corpulence in Relation to Disease: With Some Remarks on Diet Several years have passed away since Mr. Banting consulted me for Deafness, the treatment of which led to his publishing a pamphlet on Corpulence. It was not my intention to appear in print on this subject, but for an inconvenient correspondence, and which I find is but of little avail to reply to by letter. I therefore think it expedient to give a brief outline of the views which led to the treatment of his infirmity, which may interest the reader, and possibly prevent much misunderstanding. Few who have passed many years in the practice of medicine but must have been aware how little attention had been directed to this painful condition of the human body, more especially with reference to its dietary treatment. Indeed, the medical history of former years is so unsatisfactory on this point, that it was considered a most singular disease, with but little hope of relief, the main reliance for its cure or mitigation being placed on the exhibition of drugs, and certainly those of the most nauseous description. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
