Psychiatric-Mental Health Nursing (6th revised international ed)

By Sheila Dark Videbeck

Lippincott Williams and Wilkins. Paperback. Book Condition: new. BRAND NEW, Psychiatric-Mental Health Nursing (6th revised international ed), Sheila Dark Videbeck, Succeed in your course and prepare for effective practice with Psychiatric Mental Health Nursing: 6th Edition. Focused throughout on helping you develop the skills and knowledge you'll need on the job, this practical book explores the full psychiatric nursing curriculum and gives you opportunities to practice specific nursing interventions, build therapeutic communication skills, and apply content within the framework of the nursing process. A study guide built into every chapter helps you master key concepts and build critical reasoning skills. You can identify major disorders through clinical vignettes that "paint a picture" of the disorder in action. You can prepare for effective practice with Best Practice boxes. You can increase your clinical decision-making skills with the Psych Nursing Online Video Series that shows realistic patient scenarios, and then asks you to make decisions and answer questions. You can learn what to look for in your clients through non-judgmental, cartoon-like illustrations that depict disorders. You can master key concepts and skills through Critical Thinking questions, Chapter Reviews, and a built-in chapter Study Guide that provides workbook-style fill-in, short-answer, and NCLEX-style questions...
