C. 20013) : The Office, 1998. LC Number: Q180. U5 A343 OCLC Number: (OCoLC)42933313 Subject: Research institutes -- United States. Excerpt: . . . B-279928 1998. As previously stated, these committees held a total of 353 meetings, with 300 of those meetings having some portion closed. We found that 270 14 (or 90 percent) had the minutes of the closed sessions on the web site. The minutes of these closed sessions had an average posting time of 13. 5 calendar days, within the Academys guidelines of 10 business days. However, the amount of time to post the minutes ranged from 0 to 124 calendar days, with 26 percent of the minutes posted 15 or more days after the meeting. At the time of our audit, spot checks of information posted on the web site were conducted at least once a week for missing or improper information. However, we found that for a total of 63 out of 331 current committees (about 19 percent) there were chronological or typographical errors or missing data in the information provided on one or more of the meetings. For example, the listings of the meetings for three projects were out of order. One meeting had two different dates listed on the project web site. For 34 projects, the agenda or summary minutes were not posted. The Academy has already taken action to correct this information or has adequately explained these specific problems. In addition, since we conducted our audit, the Academy created a records officer position responsible for checking the timeliness and accuracy of data on a daily basis. Through the web site, the Academy also...
