First Edition Design eBook Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In efforts to understand the human being, our history, and our future, the story takes the reader through three different continents, gleaning cultural well-being and malaise of different races. The book highlights the common bond between all human races, while exploring reasons for the perceived outer differences our modern world hurtles forward, driven as it is by powerful technological engines of change, characterized by an obsessive and often idolatrous worship of intelligence, ruminative men and women all around the world ponder in the silence of their soul the fate of humanity. This inimitable book lights a path directing us again to who we truly are. It is a timely and deft...
