Y., June 19-20, 1914 It has been said truly that milk is the only material in the whole range of animal matter that is designed and prepared by nature expressly as food. The Medical Milk Commission represents a beneficent system in the field of preventive medicine with the specific object of obtaining clean and safe milk. In its inception its object was definite and concrete, namely: The attainment of milk of a grade designed expressly for clinical purposes. In the development of its plan and through the federation of all such Medical Milk Commissions, it has included an educational propaganda looking toward the betterment of all milk supplies. This pure milk movement was started as a professional crusade twenty-five years ago and, by uniting with it sanitarians and...

### Reviews

*Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.*
