Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Truth About China It would require several ponderous volumes, and much more detailed information than we can claim to possess to give a comprehensive survey of the real situation in this country to-day, and we do not propose to attempt it. But there are certain facts which are more or less common knowledge to all who have spent any time in this country recently which may well be placed on record, with our own inferences therefrom. The role of a candid friend is, we know, a thankless one. Smooth words, the suppression of unpleasant details, emphasis on the brighter side of things, are far more welcome. Yet if Europe and America are to spare time and energy from their other numerous preoccupations to assist China, such assistance as they can give can only be wisely directed if it is based upon knowledge. One example will suffice. North China to-day is in the throes of a terrible famine, which threatens the very existence of from fifteen to twenty millions of the population. An S.O.S. call has been sent out to the civilized world first aid. The American Red Cross is appealing for funds to save the famine-stricken Chinese from starvation; the Lord Mayor of London has been asked to open a Mansion House Fund; the Governments of Japan and of India and other British Possessions have been urged to interest themselves in the saving of Chinese lives. But there is not a single well-informed foreigner in this country who would regard with approval, proposals to raise large funds from the charitably minded abroad, and to entrust them to the Peking Government for relief work. What...
