The Passive Voice

By Babette Treptow

GRIN Verlag. Paperback. Book Condition: New. Paperback. 24 pages. Dimensions: 8.3in. x 5.8in. x 0.1in. Seminar paper from the year 2012 in the subject English - Grammar, Style, Working Technique, grade: 1, 0, Humboldt-University of Berlin, language: English, abstract: Since English and German belong to the West Germanic family, both languages are - considered from a historical perspective - closely related. However, English and German have developed in entirely different ways over time. While English was strongly influenced by many foreign languages, such as French, German remained closer to the language group both originally derived from. Precisely these divergent developments make a contrastive analysis between the two major languages particularly interesting. Within this paper, English and German will be compared with regard to the passive voice, one form of the grammatical category voice that is, according to Knig and Gast (2009: 123), easy to identify in English and German and rather unproblematic to compare. In its general meaning, the term voice is used interchangeably with diathesis. In this sense, the concept of voice relates to the argument structure of predicates, i. e. the relationship between thematic roles like Agent, Patient, Instrument and grammatical functions like subject and object, as well as...
