Broadway Books, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The lobotomy, although terrible, was not the greatest injury done to him. His greatest misfortune, as his own testimony makes clear, was being raised by parents who could not give him love. The lobotomy, he writes, made him feel like a Frankenstein monster. But that's not quite right. By the age of 12 he already felt that way. It's this that makes My Lobotomy one of the saddest stories you'll ever read." William Grimes, The New York Times "Dully's tale is a heartbreakingly sad story of a life seriously, tragically interrupted. All Howard Dully wanted was to be normal. His entire life has been a search for normality. He did what he had to do to survive. This book is his legacy, and it is a powerful one." San Francisco Chronicle "In My Lobotomy Howard Dully tells more of the story that so many found gripping in a National Public Radio broadcast: how his stepmother joined with a doctor willing to slice into his brain with "ice picks" when he was all of 12 years old." New York Daily News "[Dully's] memoir is vital and almost too disturbing to bear-a piece of recent history that reads like science fiction. Dully, the only patient to ever request his file, speaks eloquently. It's a voice to crash a server, and to break your heart." Cleveland Plain Dealer "The value of the book is in the indomitable spirit Dully displays throughout his grueling saga.By coming to grips with his past and shining a light into the dark corners of his medical records, Dully shows that regardless of what happened to his brain, his heart and soul are ferociously strong." Chicago-Sun Times "Plain-spoken, heart wrenching memoir ." ...
