

## Integrated Forest Gardening: The Complete Guide to Polycultures and Plant Guilds in Permaculture Systems (Paperback)

By Wayne Weiseman, Dan Halsey, Bryce Ruddock

Chelsea Green Publishing Co, United States, 2014. Paperback. Book Condition: New. 251 x 201 mm. Language: English . Brand New Book. Permaculture is a movement that is coming into its own, and the concept of creating plant guilds in permaculture is at the forefront of every farmer s and gardener s practice. One of the essential practices of permaculture is to develop perennial agricultural systems that thrive over several decades without expensive and harmful inputs: perennial plant guilds, food forests, agroforestry, and mixed animal and woody species polycultures. The massive degradation of conventional agriculture and the environmental havoc it creates has never been as all pervasive in terms of scale, so it has become a global necessity to further the understanding of a comprehensive design and planning system such as permaculture that works with nature, not against it. The guild concept often used is one of a functional relationship between plants beneficial groupings of plants that share functions in order to bring health and stability to a plant regime and create an abundant yield for our utilization. In other words, it is the integration of species that creates a balanced, healthy, and thriving ecosystem. But it goes beyond integration. A...
