Black Box Publishing, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: What if you mixed Cheech and Chong and Harry Potter? Are you a Potter Head? Do you love parody? Do you love smoking the Ganja? Do you like to read parodies about Harry Potter while smoking the Ganja? Then this is the book for you!!! (Even if you don't like smoking the Ganja!) Hairy Pothead the Stoned Sorcerer is an easy read, because let's face it, most of you who will be reading this book have probably smoked yourselves daft by now, anyway. It's the story of a boy (Sort of.) about to embark on the adventure of his life (Such as it is.) A life that has apparently been written about before in a best selling series of books! (Spoiler alert!) But he won't be embarking on this adventure alone, oh no! This time he's taking his best friend along, Mary Jane! On his 30th birthday, the stoner known as Hairy Pothead receives a somewhat delayed invitation to attend the Hawgsleg School of Wizardry and Herbology. While there, he meets a wacky group of misfits including a gentle giant named Groovius Haggard, the dark and disturbing Professor Rape and Bumbling Dumbass, the lovable old Headmaster of Hawgsleg. Of course, he also meets the two people destined to become his bestest friends, Red Measley and Hornie Stranger. Little do any of them know that an evil power is hiding in their very midst. "WHO?" That's right! "WHO?" Exactly! It's the villainous King Owl Jr.! But what does he want with dear old Hairy? Please Note: This parody is NOT for children NOR prudish sorts! (And especially not for prudish sorts of children!!!) Also Note: This book contains a handy British slang guide in the back...
