El feudalismo hispánico

By Luis García de Valdeavellano

Editorial Crítica, 2000. soft. Book Condition: New. Este libro es una pequeña joya de la historiografía medieval española. En él, don Luis G. de Valdeavellano delineó magistralmente las características de lo que llamó «feudalismo hispánico», tan peculiar y diferente en no pocos aspectos del sistema feudal del resto del Occidente europeo. Tras un ensayo introductorio que abría el debate sobre la cuestión de si existió realmente en España -excluida Cataluña, por su dependencia del reino de los francos- un sistema feudal que llegara a ser el fundamento de la vida económica, de la estructura social y de la constitución política de los llamados «Estados de la Reconquista», este libro nos ofrece una síntesis espléndida, todavía no superada, de las instituciones feudales de España y de su pervivencia a lo largo de la historia.
