Excerpt: .after a thorough examination, may find them qualified. In all cases where an assistant engineer is permitted to act as first chief engineer, the inspectors shall state on the face of his certificate of license the class and tonnage of steamers, or the particular steamer, on which he may so act. 4. It shall be the duty of an engineer, when he assumes charge of the boilers and machinery of a steamer, to forthwith thoroughly examine the same, and if he finds any part thereof in bad condition, caused by neglect or inattention on the part of his predecessor, he shall immediately report the facts to the local inspectors of the district, who shall thereupon investigate the matter, and if the former engineer has been culpably derelict of duty, they shall suspend or revoke his license. 5. No original license shall be issued to any person to act as engineer, except for special license on small pleasure steamers, who cannot read and write, or who has not served at least three years in the engineer s department of a steam-vessel, or as a regular machinist in a machine works; provided that any person who has served for a period of three years as a locomotive or a stationary engineer may be licensed to act as engineer on steam vessels after having had not less than one year s experience in the engineer s department of a steam vessel.
