Brand New Book ***** Print on Demand *****.Excerpt from Thanksgiving Sermon: Delivered at the First Presbyterian Church, New Orleans, on Thursday, December 29, 1860 The voice of the Chief Magistrate has summoned us to-day to the house of prayer. This call, in its annual repetition, may be, too often, only a solemn state-form; nevertheless, it covers a mighty and a double truth. It recognizes the existence of a personal God, whose will shapes the destiny of nations, and that sentiment of religion in man which points to Him as the needle to the pole. Even with those who grope in the twilight of natural religion, natural conscience gives a voice to the dispensations of Providence. If in autumn extensive harvests hang their heavy head, the joyous reaper, crowned with the sickle and the wheaten sheaf, lifts his heart to the Father of lights, from whom cometh down every good and perfect gift. Or, if pestilence and famine waste the earth, even pagan altars smoke with bleeding victims, and costly heca-tombs appease the divine anger which flames out in such dire misfortunes. It is the instinct of man's religious nature, which, among Christians and heathens alike, seeks after God - the natural homage which reason, blinded as it may be, pays to a universal and ruling Providence. All classes bow beneath its spell, especially in seasons of gloom, when a nation bends beneath the weight of a general calamity, and a common sorrow falls upon every heart. The hesitating skeptic forgets to weigh his scruples, as the dark shadow passes over him and fills his soul with awe. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more...
