Reviews

It is a single of my personal favorite ebook. It really is filled with wisdom and knowledge I discovered this book from my dad and i recommended this book to discover.

(Kyla Goodwin)

COLONIAL DAYS: A HISTORICAL READER (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Colonial Days: A Historical Reader The large place given to history during the last fifteen years, in both the elementary and the high school, is significant. It indicates a fuller realization of the importance of this branch of study in developing the social instincts. Through the study of history the narrow contact of every-day life is supplemented by a knowledge of the struggles and achievements of all humanity. The pupil shares and profits by the experience of the race; and by making the racial life his own, he gains social insight and social disposition, which prepare him to render his highest service to the community. In the lower grades of the elementary school most of the work in history should be in the form of oral language lessons, and the subject-matter should be presented in story form. The concrete, the personal, and the dramatic, appealing in a special way to children, should be made prominent; for through this avenue alone can the teacher reach the imaginative and the emotional life of the child. But as early as the fourth grade reading should supplement the oral work. With this idea in view the present volume, the second of a series, has been prepared. The title gives some indication of its scope and purpose. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
