The Mercedes Coffin (Paperback)

By Faye Kellerman

HarperTorch, United States, 2012. Paperback. Book Condition: New. Reprint. 190 x 106 mm. Language: English . Brand New Book. Billionaire Genoa Greeves believes the L.A.P.D. should finally solve the fifteen-year-old execution-style murder of her favorite teacher, Bennett Little especially now that Hollywood music producer Primo Ekerling has been slain in an eerily similar manner: shot and stuffed into the trunk of his Mercedes Benz. Lieutenant Peter Decker resents having to commit valuable manpower to a cold case simply because a rich woman says, Jump! But when a primary investigator in the Little case, now retired, suspiciously commits suicide hours after he and Decker talk, the detective realizes something evil s connecting the dots in two murders separated by a decade and a half. Wife Rina Lazarus offers a cool, rational outlook, as always, despite her growing concern for her husband s welfare as past and present collide with a vengeance, catapulting Decker ever closer to the edge of an infinite dark abyss.
