

Duns review Volume 12

By R. G. Dun & Company

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Dimensions: 9.7in. x 7.4in. x 0.2in. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1908 Excerpt: . . . At that time Great Britain possessed 1, 000 steamers. It is interesting to note that the early forebodings of those who claimed that steam navigation was impossible and contrary to Providence had the result of preventing any passengers from trying the ocean voyage on the Savannah, which left port entirely empty, notwithstanding its beautifully appointed cabins. This vessel took its wheels on deck and during the greater part of the trip made use of sails only, so that it can hardly be numbered among ocean steamers. By the time that the Sirius and the Great Western made their memorable race across the Atlantic this early timidity of steam navigation had disappeared and the greatest expectations were set on the future of trans-Atlantic shipping, although the most daring dreamer failed to imagine what has actually been accomplished in the sixty years that have since elapsed. After these...

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.

-- Mr. Dashawn Block MD

Completely essential study publication. This is for anyone who statte that there was not a well worth reading through. I am very easily could get a satisfaction of reading through a written publication.

-- Hallie Stanton
