Reviews

These kinds of ebook is almost everything and got me to seeking ahead of time plus more. It really is filled with wisdom and knowledge I discovered this book from my i and dad advised this publication to learn.

(Sonny Bergstrom)

PROJECT JUNE BUG (PAPERBACK)

iUniverse, United States, 2008. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****. With focus and characters as mainstream as Main Street, this fine novel is far more a great read than message tale. -Tom Corcoran, author of Air Dance Iguana, Jimmy Buffett-The Key West Years, and Key West in Black and White Life is good for Jenna Bianchi. She s just started her second year of teaching English at Morrison High School, a job she loves. She has a pet parrot with attitude. And there s a handsome math teacher who wants to be more than just friends. But everything changes when a defiant, disruptive tenth grader walks into her classroom. With a smart mouth and a swagger to match, Michael Tayler is a problem for Jenna from the very first day. His school record screams troublemaker, and Jenna wonders if the new year is already doomed. But when she reads Michael s first poetry assignment, she recognizes it for what it truly is: a cry for help. Michael s presence sets into motion a chain of events that turns Jenna s perfect life upside-down and threatens to destroy her career. Faced with a challenge unlike anything she s ever known, Jenna commits to doing what no one has done for Michael Tayler before.
