Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.After-school programs have grown rapidly in recent years, spurred by rising employment rates of mothers, pressure to increase academic achievement, and concerns about risks to children who are unsupervised during after-school hours. The percentage of public schools offering extended day programs (which include before- and after-school programs) more than tripled from 1987 to 1999, from about 13 percent to 47 percent. The federal government's investment in after-school programs has grown rapidly as well. Funding for the 21st Century Community Learning Centers program, created in 1994, rose from \$40 million in 1998 to \$1 billion in 2002. The program now provides funding to 2,250 school districts to support school-based programs in 7,000 public schools. Some studies of after-school programs have found that these programs increase academic achievement and student safety, as well as reduce negative behaviors such as drug and alcohol use. However, other studies have found that after-school programs have no effect on-and even worsen-certain outcomes, leading to debate over whether the evidence supports increased investment in after-school programs. In 1999, the U.S. Department of Education contracted...

Reviews

It is one of my personal favorite books. This is certainly for anyone who states there had not been a worth studying. I found out this ebook from my dad and he advised this pdf to learn.

The very best publication I at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
