AMERICA AFTER THE FALL: PAYBACK (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.These are the continuing tales of how America fell, and how the survivors picked up the pieces in a shattered world. How did it happen, and who would survive? What effects would race and culture play in the collapse and reordering of a new political landscape? This is the chronicle of the last surviving Patriots in a surreal world where might makes right and notions of right and wrong are left up to the individual. These are the stories of those who will have to learn to love something more than just what was left behind. This book peers into America s possible future with a more honest view than most would care to explore. Through these stories we can finally ask the questions that are often left untouched: what will really happen in a post-apocalyptic America, based on current conditions now and projections for the immediate future, and how can we hope to survive as a people?.
