The University of Alabama Press, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. The Myth of Water is a cycle of thirty-four poems by award-winning Alabama poet and writer Jeanie Thompson in the voice of world-renowned Alabamian Helen Keller. In their sweep, the poems trace Keller s metamorphosis from a native of a bucolic Alabama town to her emergence as a beloved, international figure who championed the rights of the deaf-blind worldwide. Thompson s artfully concatenated vignettes form a mosaic that maps the insightful mind behind the elegant and enigmatic persona Keller projected. Thompson takes readers on the journey of Keller s life, from some of the thirty-seven countries she visited, including the British Isles, Europe, and Japan to the wellsprings of her emotional awakening and insight. The poems are paired with fascinating biographical anecdotes from Keller s life and samplings from her writing, which infuse the work with richly-rewarding biographical detail. The poems in The Myth of Water reveal the discerning subtlety, resiliency, and complexity of the person Thompson perceives Helen Keller to have been. Through a combination of natural intuition, manual signs, Braille alphabets, and lip reading, Keller came to grasp the revolving tapestry of the seasons and the infinite colors of human relationships. Not a biography or a fictional retelling, The Myth of Water attempts to unlock what moved Keller to her life of service and self-examination. This is a deeply personal story of coming through-not overcoming-a double disability to a fully realized life in which a woman gives her heart to the world.
