Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Wards of the State: An Unofficial View of Prison and the Prisoner Imprisonment, its effects upon the prisoner (in prison and after prison) and the prejudice it creates against him in the public mind: these are my chief topics. With imperfections of which I am extremely conscious, the book represents a study of some years duration, a study rendered difficult for the onlooker by this fact above others, that he does not view the life of prison from within. His advantage (as an onlooker), perhaps his sole advantage, is that he should be able to approach the subject with no excessive bias on the one side or the other. With the criminal, as a criminal, these pages are not peculiarly concerned. He is here in the main regarded as a person suffering imprisonment. Crime, criminals, and criminal psychology are at this day the subjects of a fresh and special literature, ranging in space from Madrid to New York, from Graz in Austria to Los Angeles in California. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
