Ebury Publishing, United Kingdom, 2014. Paperback. Book Condition: New. 196 x 126 mm. Language: English . Brand New Book. To start: it was just me and my mom. I am an only child, and she is a single parent. My mother is a trash hoarder. Ever since I can remember the house was always messy and stunk. At around age 9ish I noticed that something was wrong. I started throwing bags of trash away every day, just to have my mom freak out when she got home. We didn t eat at home anymore because the fridge was disgusting, and she used the sink as a trash can, so it got clogged. We always ate out, we never had a home-cooked meal, and I ve never had a family dinner at a dinner table. I had a stool in the corner of the living room. That is what I sat on, and that alone. I kept that corner as clean as I could. Made sure there was foot space, and that there wasn t dust on the walls. That was my corner, my space. It never seemed to matter though, eventually that spot would get overrun with trash too. Trash is Britney Fuller s shocking account of growing up in the house of a hoarder.
