THE GIFT: A JOURNEY OF ACCEPTANCE (PAPERBACK)

Brand New Book ***** Print on Demand *****.Linda Daly, author, screenwriter and publisher, is sharing a few personal accounts of her life in hopes that others will view their own lives as a journey. Linda s journey began during the fifties when as a toddler she swallowed a lethal dose of poisonous crystals. Her family believes wholeheartedly that her life was spared through the power of prayer. Then in the sixties, help from the other-side touched the lives of a mother and daughter, while reaffirming to Linda, love has no boundaries. Through the seventies and eighties events proved yet again to her that if we are tuned in to our inner voice and we react accordingly, our lives can be enriched forever. The nineties finds Linda s putting those beliefs to the test when she is compelled to assist a woman she read about over the internet. Through this encounter, her life takes on a new direction when she is driven to leave a career she is established and comfortable in to begin a new one in storytelling. Years later her attentions turns to publishing other authors work. All the while receiving affirmation s from the Universe to press on. Come share the life of an ordinary woman who has had extraordinary events happen in her life that helped strengthened her belief that all things are possible, if you believe.
