Connections Book Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, 50 Puzzles for Tactical Thinking, Charles Phillips, What sets us apart from other forms of life is the ability to think of ourselves and for ourselves. So, although there is no doubt that we think, the real question is: How many of us know how to think to our full potential? Answer: Not many! But now we have the "How to Think" puzzle book series. If you want to boost your brain's performance, and learn how to think clearly and effectively in any given situation, read these books, and tackle these puzzles. How do captains of industry and the greatest political minds come to the decisions they do? This book explains how to think in ways that will help keep you one step ahead. Debating skills, sound logical reasoning and thinking 'outside the box' are all covered in this useful guide to tactical thinking. To support the theory there are also practical exercises and games, including teaching yourself to think before you speak.
