Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Nicholas Murray Butler has given us another significant little volume which is most valuable as a study of American life and progress. It is entitled The American as He Is, and is divided into three chapters: The American as a Political Type; The American Apart from His Government; and The American and the Intellectual Life. The first deals with the American type as a unit, giving full weight to the persistence of the Anglo-Saxon impulse and its extraordinary effect in developing what promises to be a homogeneous national character from the chaotic elements which go to making up the American people. Dr. Butler attributes the development of this unit largely to the broadening effect of interstate migration and to the influence of voluntary organizations that are national in their scope and that serve to draw together what otherwise might be provincial and mutually hostile elements. Our Federal Government, especially within the last few years, has also served as a strong force for the bringing about of national and political unity. Dr. Butler takes up the question of American politics and treats it succinctly, with due recognition of the innate conservatism of the American people and of their reverence for the rule of the Constitution and for the Judiciary as an organ of government. He asserts that the Courts represent the settled habits of thinking of the American people, as either President or Congress may be influenced by the passions and clamor of the moment, but the Federal Courts are there to decide rationally as to the exact merits of the case and to uphold the principles laid down in the Constitution. This conservatism Dr. Butler dwells upon with...
