There isn t a marriage on earth that hasn t been at risk of ending at one point or another, and I hope that the contents of this book can help you save your marriage, navigate marital troubles and make your bond stronger as part of the process. After the honeymoon stage is over, it is quite unavoidable that married couples will go through a lot of struggles and challenges to sort out the kinks in their relationship, build the foundation of their family and learn how to compromise and satisfy each other s needs. It is quite sad to see how many marriages end up in divorce because the couple does not have the patience and endurance to survive the most difficult stages of their marriage. What many married couples do not realize is that once most of the challenges and struggles are over, they will reap the rewards of their efforts and sacrifices. In this book, you will learn the common mistakes that couples make that eventually ruin their marriage. You will also learn effective strategies and techniques to not only avoid those mistakes but to correct them in case you have already committed them, to save your marriage and avoid the painful process of divorce. You will have to start thinking like a resilient person to prevent your marriage from falling apart. Keep in mind that you and your spouse always have a choice. It is up to you if you want to keep your love for each other burning or you will let your own personal issues get in the way. I hope that you will find the love and...
