So often times it happens that we live our lives in chains, and we never even know we have the key -Eagles THE KEY is about finding that key, and freeing yourself of your chains. It is about the alchemy of changing tension, anxiety, and stress into happiness, health, and prosperity. It is a compact manual for the human spirit, containing wisdom to help you realize your dreams. To discover one's own true nature as a creator is to know the joy of an expanding universe in one's heart. THE KEY is a compilation of nearly a half century of reading, thinking, conversations, reflections and experience, boiled down into a book that is eloquent in its simplicity, clarity, directness, and honesty. It contains essential wisdom that was at times hard won, but in the end, helps one to move toward a happier, healthier, richer life. We need a critical mass of people to reach this place of creativity and positive responsibility if we are to live in a world where creativity is the name of the game, and we are working together on a global scale instead of against each other.
