complete collection of The Nephele Ship series! This boxed set includes all three volumes. Follow the crew of the Nephele Ship

through: Volume One - The Frozen Workshop: After a catastrophe that covered half the world in inhospitable ice, a team of treasure hunters finds a lead about a mysterious workshop said to contain miraculous and wondrous inventions

that could be worth fortunes. When the rival guild of archaeologists known as Antimony Eye turns their attention on the same workshop and will do anything it takes to get there first, Captain Austin Strallahan and his crew must think quickly and act even quicker to assure their arrival at the workshop before the Eyes, who seem to know something more about this stash than the captain does. . . Will the Nephele Ship reach the treasure in time

Volume Two - The Fire-Beasts: Captain Strallahan and the crew of the Nephele have arrived at the mythical workshop, but when they go inside, they will find much more than just dolls! Steam-powered automatons, human-sized dolls, and even something that...
