

Ciencia, Magia y Religion En El Quijote (Paperback)

Filesize: 2.98 MB

Reviews

The most effective book i ever read. I really could comprehended almost everything out of this published e ebook. You wont truly feel monotony at at any time of your respective time (that's what catalogs are for regarding should you ask me).

(Rusty Kerluke)

CIENCIA, MAGIA Y RELIGION EN EL QUIJOTE (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.En su peregrinar por la Espana de comienzos del siglo XVII, uno en busca de la fama y el otro del gobierno de una insula, don Quijote y Sancho se topan con una variada muestra de la tipologia humana que puebla los reinos peninsulares, unidos bajo la Corona de los Austrias y la sombra de la Inquisicion, pero separados por fueros, aduanas e idiomas. Ambos han aceptado arriesgar la reputacion y la salud en el envite. Su aventura es peligrosa e incierta; su periplo, ajetreado y sin rumbo; su reposo y su refrigerio, leves, y al raso, o en ventas de mala muerte. Sufriran contusiones y heridas que requieran los cuidados de la medicina renacentista. Echaran cuentas con ducados, reales y maravedis. Mediran con leguas, varas y celemines. Conoceran las instalaciones industriales de su epoca: molinos, batanes, imprentas, neveras. Se las veran con pastores y labradores, con delincuentes y agentes del orden, con charlatanes y bromistas, y tambien con clerigos y nobles ociosos. Contemplaran como la pasion amorosa arrasa los corazones de los jovenes. Prepararan pocimas y creeran navegar las regiones celestes en un caballo magico, y ser victimas de perfidos encantadores. Pero ademas, don Quijote y Sancho son grandes conversadores. Mientras viajan, hablaran del cosmos y de la creacion, del cielo, del purgatorio y del infierno, de los mitos y las supersticiones; analizaran el gobierno y las cuestiones de politica internacional; diseccionaran los males del sistema educativo, confirmaran la decadencia del latin como lengua franca y declararan a cada paso su inequivoca fe cristiana-catolica, en aquella Espana en la que el propio papa hubiera parecido un moderado.
