Bolinda Audio, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. At the age of nine, Jin Xing entered a military academy. He knew that he had been born to dance and, in Mao s China, it was the army that provided the best training. His exceptional talent was soon recognised; by the time he was eighteen, he was regarded as the best principal dancer in China. He won a scholarship to study in the United States where he discovered a new world of contemporary dance, and made both a new identity and a decision that was to change his life - and would shake the whole of China: Jin Xing underwent a sex-change. He became a woman - and then a mother and, later, a wife. The incredible adventure of this solider with a young girl s heart was suppressed by Chinese authorities for years, but now Jin Xing can finally tell her story. From the regimented world of the Red Army, to Europe s most elegant boulevards; from the small Manchurian village of her birth, to the dizzying excess of New York; Jin Xing s story has all the drama and energy of a classic ballet - and a happy ending.
