More than 100 pages of new, cutting-edge content. This book is all about ideas and experiments in lifestyle design. You will never be sold anything throughout your journey. Some ideas will be expanded upon in great detail, others are self explanatory. Rami is not in the business of spoon feeding you or cheating you. He is trying to bring a point home and that is, if you are willing to put in the effort, then you are bound to make money. If you are smart enough to find shortcuts to achieve your goal, well then, that works out great for you! If youre a little lost and need some interesting, creative ideas for your business, then this book is for you. This book will also cover some unconventional ideas, like creating your own country, but youll have to read into it to learn more. However, some of the main ideas in the book revolve around the elimination of excuses. Everyone has a 101 excuses to not move forward with an online project, but hopefully when youre done reading this book, youll have a fresh look on Internet Marketing as a whole, but also specifically which area or type of business you want to start. You can have it all--really. Join Rami El-Ashi, popular Twitter personality in love, entrepreneurship and lifestyle design experimentation, as he teaches you: How to start a country A real example of social media SCAMs How to have a virtual date How to gain followers without following anyone His first business venture (plus: new social media tricks and experiments) Pattern deconstruction and world creation How to take cheap, rewarding baby-retirements 12 AB tests you should try today How to start your own business today! 35 ways...
