The Churchills: A Family Portrait (Paperback)

By John Lee, Celia Lee

Palgrave MacMillan, United Kingdom, 2011. Paperback. Book Condition: New. Reprint. 234 x 144 mm. Language: English . Brand New Book. The Churchills dominated world politics for generations - but, like every family, they too have their secrets. Winston's mother, Jennie, had an affair with the Prince of Wales, later King Edward VII, and her spendthrift habits devastated the family's reputation. The younger brother, Jack, played a crucial role both in Winston's successes and in holding the family together during tough times. From Sir Randolph's alleged syphilis to Winston's illegitimacy, from Jennie's gambling problem to Jack's dashed ambitions, authors Celia and John Lee use never-before-seen archives to cut through the rumors and lies and get to the truth about the life of the former prime minister and his relationship with his family.
