Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.SICK AND TIRED OF BEING SICK AND TIRED I get so sick and tired of sheer economic ignorant people thinking raising the minimum wage is going to help this economy. In fact the only thing that is going to save this economy from total doom is out right repealing and getting rid of the minimum wage or any wage control entirely. Since 1938 the minimum wage law has allowed the liberals to get control of the USA economy which is a little over four generations. Like I have said many times you can get almost any cock-eyed economic system to work for four or five generations, then its sun set time. Sure, the intention was to do good, but, economic-wise installing a minimum wage or any kind of wage or price control on a free market place economy is dumb, stupid, and destructive, period. It is a dagger right into the heart of a free market place economy and it ignites inflation, then after four generation it is impossible to keep inflation from spinning out of control. I m going to say it even if the egg heads and Keynesian economist never will. Raising the minimum wage just may be the straw that breaks the camels back and sends what s left of the wobbly-kneed USA economy over the cliff. I m just sick and tired of people who should know better keeping the people economically ignorant just to go along to get along. We need leaders calling a spade a spade. And I m telling you the only way to improve the lives of the people and save the USA economy is to set the free market...
